I couldn't wait to get up this morning and see how bright and cheery our whole house looks after having KJ's Window Cleaning over yesterday! Wow! What a difference! I am extremely O.C.D., but I have always done a terrible job cleaning windows. (I just do not have that magic touch) This morning I felt like a kid on Christmas morning! Friendly, on time, quality work and did I mention how great our windows look? Thank you KJ's Window Cleaning!

I highly recommend KJ's Window Cleaning Company. Every step of the process was professional and pleasant. The response time was prompt and communication was courteous. Kelvin arrived on time, worked efficiently, did quality work, and finished the job in the time promised. I have a large 2 story home and the work Kelvin performed was even better than expected. We are very pleased and will be using this company again.

We've used KJ's for a few years, and are never disappointed. Kelvin showed up at 8:30, right on time. He did an amazing job, and the windows look fantastic. Professional, courteous, and priced well. I'm happy to support local businesses, and will continue to do so. Thanks Kelvin!

Kelvin is the best! He came right at the agreed time, and he did the best work with my window cleaning and my dryer vent clean up. He was polite, but not all business-like and uptight, and was very friendly. We looked out of our windows after he left, and I just wish (I really really really wish!!!) that I had taken pictures of the windows before they were cleaned, so I could post them on here for a before and after comparison.

Again, Kelvin and his company are the best! When it comes to window cleaning and dryer vent cleaning, look no further. Have Kelvin come in and have your windows look like new, and meet a great human being in the process!

Kelvin and Amber were so easy and kind to work with! Scheduling the window washing was so easy on their website and I loved how well they communicated every step. Kelvin worked so hard all day and had the biggest smile on his face. Truly the most kind people as well as amazing results for our house. Thank you guys so much!!

We could not have been happier with the experience. From the easy and fast quote process to the final results, everything was wonderful. Would recommend to anyone needing their windows washed!! He not only made sure the glass sparkled, but he cleaned all the screens and tracks out as well. Five stars!
